I especially liked their was an outfit for First Communion. I am passing on these ethnic paper dolls to my grandchildren, so they will see what THEIR ancestors dressed like. 0 of 0 people found the following review helpful. Five Stars By Erika M Beautiful collection.

Charming collection of 32 traditional folk costumes and assorted headgear for 2 adorable, golden haired youngsters,

including lederhosen and a dirndl from Bavaria, embroidered jackets and pleated skirts from the Black Forest region, as well as colorful outfits from the Harz Mountains, Frisia, Mittenwald, and other areas of Germany.
