**Ron Manion, Eric J. Johansson : Japanese and Other Foreign Military Collectibles Price Guide: Collector Items of Historical Interest from Japan and Other Nations of the World** before purchasing it in order to gage whether or not it would be worth my time, and all praised Japanese and Other Foreign Military Collectibles Price

Guide: Collector Items of Historical Interest from Japan and Other Nations of the World:

0 of 0 people found the following review helpful. The dated publication only serves as a general reference for ...By Douglas BarkerThe dated publication only serves as a general reference for several types of items. However it should not be relied upon to determine valuations, frauds, insurance issues, etc.2 of 2 people found the following review helpful. Useless book for the serious collectorBy Bull DozerSave your money and buy a current book with current pricing. This historial document shows how rapidly prices and information changes, and provides a sobering look at the need for collectors to keep up to date. ...
