Jaak Van Damme : Jewelbook: Annual of Contemporary Jewel Art: International Annual of Contemporary Jewel Art before purchasing it in order to gage whether or not it would be worth my time, and all praised Jewelbook: Annual of Contemporary Jewel Art: International Annual of Contemporary Jewel Art:

An annual publication, showcasing the very best international contemporary jewelry design and offering innovative, original concepts.Presents a panorama of projects from all over the world.Contemporary jewelry is unquestionably the result of thousands of years of history and research, with present-day jewelers still using the same precious metals and stones as their predecessors, but without ceasing to renovate, reinvent and experiment with materials, techniques and

concepts.Jewelbook is the result of international teamwork, showing contemporary jewelry handcrafted by the world's finest modern jewelry artists. Jewelbook not only illustrates the most innovative works in contemporary jewelry, but also offers support to jewelry as a cultural expression of our time and is destined to become an important reference work in this field of art. A tool to make jewelers even more aware of what happens on an international level and to encourage the exchange of ideas and techniques.
