Paul Gaujac : Germany in Uniform - 1934: From Reichswehr to Wehrmacht Volume I before purchasing it in order to gage whether or not it would be worth my time, and all praised Germany in Uniform - 1934: From Reichswehr to Wehrmacht Volume I:

2 of 3 people found the following review helpful. Germany in Uniform 1934By CustomerThe books does fill a gap and they used the old ID books printed in German during the 30s . I have a couple of them in my collections and its nice to see other uniforms out side of the military.

Originating from an illustrated document published in Berlin in 1933, this book presents the uniforms of the various units, governmental and political organizations. We discover here not only the traditional branches of the armed forces such as the navy or air force, but also those of customs agents, forest rangers and members of the Nazi party.To facilitate the reader's understanding, the two opening chapters are dedicated first to the seizure of power by Hitler, and second to the transformation of the Reichswehr in Wehrmacht, which is a result of the events in the first chapter. In the

same spirit, the original plates were completed by documents derived from the period, particularly those emanating from the archives of the 2nd French Office, well informed about the rise of the German forces. The accuracy, the diversity of the representation of uniforms, as well as its aesthetic quality, make this book a valuable document for historians and lovers of uniforms. REVIEWS "...a mixture of political history and the kind of information and photographs that modelers find useful...fascinating...Military Modelcraft International

About the Author After a career in the French army, Paul Gaujac became dedicated to his second vocation as a military historian. He is the author of a number of books, including: *Le débarquement de Provence*, *Le CEF en Italie*, *L'armée française 1943-1956*, and *Les troupes coloniales dans la Campagne de France*.
