GI JoeBy Sir Michael 1965Good book with lots of color photos and descriptions and insight. Good reading and a retro look back at great action figures and toys0 of 0 people found the following review helpful. Great bookBy AngieThis is a good book that covers action figures of the 70s. The pictures are great which help in determining quality.

A virtual army of those heroic "dolls for boys" is covered in this colorful volume. Starring well-known figures and

rarities alike, from Hasbro's GI Joe and Mego's Star Trek figures to Tomland's Star Raiders and Marx's Safari Adventure Series, this lively text and more than 400 color illustrations present the figures, their outfits, vehicles, and accessories. Complete details are provided on every series listed. Combining forces with the Adventure Team are super heroes, science fiction stars, and characters from television and film that will delight aficionados of all stripes. Rounding out the book are up-to-date values for the figures and their accessories. The book is sure to bring back exciting childhood memories of happy hours spent living out the adventures of favorite heroes.
