It gives good basic background information on Elvgren as well as some of his best work. If you like drawn pin ups of the 30's, 40's and 50's. This book is for you.3 of 6 people found the following review helpful. OutstandingBy Amsiea@aol.comAn excellent presentation of the greatest pinup artist of all time

Elvgren's pin-ups were everywhere that American males congregated in the 1940s and 1950s. The artist's playful

combination of the innocent girl next door and the fantasy female has become the definitive all-American pin-up.
