**Koopman Rare Art : Gilt-edged Splendour: Masterpieces in Silver Gilt** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gilt-edged Splendour: Masterpieces in Silver Gilt:

A magnificent collection of silver-gilt objects from England and France, meticulously catalogued and illustrated with stunning photographs that illuminate these beautiful items. Famous makers include: Pierre Platel; Benjamin Smith; Jean-Baptiste-Claude Odier; Martin-Guillaume Biennais; Phillip Rundell and Paul Storr.Each entry includes comprehensive technical data, with an accompanying short description, setting each object in its social and historical context.
