A treasure trove of factsBy Midwest Book ReviewGoldmine Kiss Collectibles Price Guide includes details for over 2,000 listings and packs in 500 color photos of the rock group KISS's collectibles, including US and foreign recordings as well as licensed products of all types. Any fan or collector with a detailed interest in the rock music group's products will find this a treasure trove of facts.3 of 4 people found the following review helpful. KISS FOR THE COLLECTORBy vitality mannThis new guide for KISS merchandise is very nicely done. The pictures and commentary are very helpful. The price guide portion is at the end of the book. That is the only disappointing aspect. The prices should be next to each item displayed. Overall, this is a very pleasing and entertaining book.2 of 3 people found the following review helpful. Great Reference for FansBy A CustomerAwesome

book! A must have for true KISS fans. The picks section alone was worth buying the book.

For buyers, sellers and collectors of Kiss memorabilia and music, this book features 2000 listings and 500 colour photographs of the band's merchandise, from action figures, Beanies and die-cast cars to Halloween costumes, posters and videos.
