Ordered them for five-year-old granddaughter, but she will definitely need help cutting them out, if she chooses to cut them. They are so beautiful, it seems shame to cut them! Would recommend them to anyone looking for historical

fashion paper dolls. If you're looking for paper dolls for kids to cut out and play with, one probably should choose other options.1 of 1 people found the following review helpful. Made her day!By VAKristyWas the perfect Christmas gift for an relative with moderate dementia. She remembers her former interest in paper dolls. One she had into adulthood. And she was very delighted with these.5 of 5 people found the following review helpful. Paper Doll PerfectionBy T. BickleyI have loved the Tom Tierney books for some time. When I am directing a new play I use his books as reference materials quite often because the images are so easy to see, and really help me to find the right language when I start working with the costumer. This particular book, with its wider range of featured designers and very different looks, is especially nice. The only con, and it is a small one, is that the paper doll forms seem to be somewhat smaller than the forms in some of his other books. Still, an overall wonderful book!

Two lifelike paper dolls and 30 haute couture outfits by Chanel, Paquin, Jacques Heim, Mainbocher, Pauline Trigere, Givenchy, Cardin, Norell, other greats. Publisher's Note. Captions.
