Maxine A. Pinsky : Greenberg's Guide to Marx Toys, Vol. 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Greenberg's Guide to Marx Toys, Vol. 2:

1 of 1 people found the following review helpful. marx vol. 2By Cheryl K. Drummondsince Marx produced enormous amounts of toys, i felt this book fell short of delivering enough information and pictures. Due to the fact of the year of book printing, it is acceptable for this short coming...but the price was way too high...same for the vol 1.1 of 1 people found the following review helpful. Disappointing. Too many imprécisions, mistakes and "omissions". ...By BONIN EugèneDisappointing. Too many imprécisions, mistakes and "omissions" .It is not a real "catalog" , written by an authentic historian.

Presents detailed information on Marx toy airplanes, automobiles, trucks, eccentric cars, tractors, motorcycles, and tanks manufactured from the 1920s through the 1950s. Includes product descriptions, photos, and values.
