**Chris Flynn : Greetings from Ocean Grove, New Jersey (Schiffer Book)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Greetings from Ocean Grove, New Jersey (Schiffer Book):

0 of 0 people found the following review helpful. memories....By Beth A Bechtold great book, lots of memories !0 of 0 people found the following review helpful. FOND MEMORIES OF OCEAN GROVE, NJ By Julie Ann Cadmus Wonderful book beautifully put together by Chris Flynn. For fans of Ocean Grove, NJ, you will love it. I spent my childhood there, and it was just great looking at all the postcard and photo memories. Highly recommend it for Ocean Grove "fanatics".0 of 0 people found the following review helpful. This Tops the Ocean Grove Visual Image books. By Pop Ocean Grove is a mixture of traditions and enjoyment. "Greetings..." provides significant glimpses of the Grove's past, and essentially binds them with today's Ocean Grove experience. The third graphic book about Ocean Grove, this is the best. Unfortunately, a number of images had been incorporated into previous volumes...causing me to think some images were withheld that could otherwise have made it to the pages of "Greetings..." Well known fire apparatus photographer and historian Wm.N.Schwartz's work is represented herein, but no credit given his photos. This is a must for all who care about Ocean Grove and its history, but certainly lends itself to all seeking the nostalgia of time gone by.

Take a delightful journey back in time in this historically rich and visually appealing beach town. Displayed in over 275 precious views of hand-tinted and sepia-toned postcards from the late 1800s through more modern times, Ocean Grove's history comes alive. Travel within its three natural water borders, the Atlantic Ocean, Wesley Lake, and Fletcher Lake to view the Asbury Park boardwalk alive with Victorian-era visitors, the first railroad station, and rare views of the magnificent Auditorium. See its early days of entertainment, including John Phillip Sousa and Peter, Paul, and Mary, as well as the patriotic heritage that rumbled through its streets. Whether looking at beautiful images of the special hotels like the Shawmont or the wide lawns of the Windamar, busy Ocean Grove streets and scenes will

enchant you.

About the Author A lifelong resident of the Ocean Grove area, Christopher M. Flynn has been writing professionally since college, when his first piece on amusement park history was published in *The Carousel News and Trader*. His body of work also includes working as a Historical Consultant on an in production feature film about Asbury Park, New Jersey and is working on a documentary on Ocean Grove.
