From Time Home Entertainment : Guitar Aficionado: The Collections: The Most Famous, Rare, and Valuable Guitars in the World before purchasing it in order to gage whether or not it would be worth my time, and all praised Guitar Aficionado: The Collections: The Most Famous, Rare, and Valuable Guitars in the World:

10 of 10 people found the following review helpful. Good coffee table book...By Richard W. WiseGood coffee table addition.Just what it professes to be...good for casual collectors, less so if you want a very detailed, specific book about guitars. I liked the format as well as the pictures. Not for the hard core...mostly entertainmentRick Wise. San Diego2 of 2 people found the following review helpful. Six-string heaven!By Dene SealThis book is beautiful! Well

written with stunning photographs of some of the iconic guitars of our time. I bought it as a Christmas present for my nephew who is learning to play and is constantly looking at guitars on his computer... I can't wait to see his face when he gets it. Not to nitpick but what is up with the section on James Hetfield? There are two pages of text devoted to his love of custom automobiles and barely any mention of the guitars on display in the book. I for one would have loved to hear the story behind the guitars. Other than that, I would recommend this book to anyone who loves the six-string!

6 of 6 people found the following review helpful. great book
By alan yousey
if you are truly a person that loves guitars and the music that comes from them . you need to have this book. I thought as fan of guitar I might place this book on the coffee table to have too look at ever now and than. Once i open the book couldn't take my hands off for 4 days . Just keep going thru the collection that these people had and just couldn't but it down.

In this spectacular full-color deluxe volume, *Guitar Aficionado* magazine--today's preeminent luxury guitar publication--presents the world's most epic guitars, the stories behind them, and the people who own them. Inside is an exclusive look into the incredible collections of the world's most illustrious players, including Eric Johnson, Jimmie Vaughan, Elliot Easton of the Cars, Robbie Robertson of the Band, Joe Bonamassa, Joe Perry and Brad Whitford of Aerosmith, Rick Nielsen of Cheap Trick, Randy Bachman, Lindsey Buckingham of Fleetwood Mac, Steve Earle, and many more. All instruments are photographed in meticulous detail and are accompanied by descriptions and recollections in the artists' own words. *Guitar Aficionado: The Collections* also features special chapters devoted to the iconic, historic, and often priceless instruments employed by the likes of Eddie Van Halen, Billy Gibbons of ZZ Top, Tony Iommi of Black Sabbath, Ace Frehley of Kiss, Peter Frampton, John Lennon--artists who changed not only the face of music, but of popular culture itself. With gorgeous color photography and rare and exclusive images throughout, this book is a must-have for any fan.

About the Author
Guitar Aficionado is the first magazine for passionate people who enjoy the guitar in all of its timeless, functional beauty--people who, likewise, have an enthusiasm for the very best that life has to offer. *Guitar Aficionado* not only features entertaining articles about the world's finest guitars and the people who play them, but infuses an upscale Rock Roll sensibility into fashion, travel, luxury goods and much more
