Good guide for comparison and details of operation, and functional information for the weapons listed. Please expand to the new imports of AK and AR series rifles and pistols.0 of 0 people found the following review helpful. As new.By Leonard GammelArrived in perfect shape and well packaged. Wealth of information for the hunter or gun nut. Always full of interesting articles and stories. Almost like getting an inventory of a well stocked sporting goods store.0 of 0 people found the following review helpful. GD 2009By Ronald KraemerAlways a use full go to book for anyone into firearms, I buy them every few years, to stay up on whats new and the now to.

This book is the definitive information resource for the shooting sportsman and arms enthusiast. The extensive editorial carries a balanced mix of carefully researched articles on interesting aspects of the shooting sports. The contributing editors provide annual reports of new product news in the major shooting sports product categories. This illustrated arms and accessory catalogue, updated each year, carries the latest listing, specifications and prices. In addition, the annually-updated "Directory of the Arms Trade" is the most extensive and well-maintained industry directory in existence.

About the Author Ken Ramage is the fourth editor of Gun Digest, and has held the position since the 55th Edition, published in 2000. He has an extensive background in the shooting sports, and the shooting sports industry. Over the years he has developed/edited some 60 books, including three major titles in print for 25 years or longer.
