Thought the paper would be a bit thicker, but my 9 year old daughter has done a good job of not jabbing her finger through any of the empty holes for coins, so that is promising. I have seen the "children's Washington quarters national parks" book and it is bigger and more interesting for children. I should have purchased that one instead, but chose these because I could create a coin collecting "set of books" pennies through quarters. 0 of 0 people found the following review helpful. was just expecting something betterBy CustomerIt's definitely not what I was expecting. I guess they're made differently now, but when I was younger the books were much bigger and not made as cheap. This product does its job and holds the coins nicely. I was just expecting something better, you get what you pay for.
