found the following review helpful. It's dated. By C. Uramkin There has been so much more advancement in big bore handguns since the publication of this book that it's hardly worth reading. It was kind of like reading a really old copy of a shooting magazine while waiting at the dentist. I'd pass on this one.

"Hand cannons" are the biggest, loudest, most powerful handguns in the shooting world, firing cartridges from the famous .44 Magnum up to the mammoth .50 BMG. Duncan Long evaluates these massive pistols and reveals how to tame their recoil and muzzle blast and improve their accuracy.
