**Timothy J. Mullin : Handbook Of Handguns: A Comprehensive Evaluation Of Military, Police, Sporting And Personal-Defense Pistols** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Handbook Of Handguns: A Comprehensive Evaluation Of Military, Police, Sporting And Personal-Defense Pistols:

0 of 0 people found the following review helpful. Save Your Money! By Bobby A complete hodgepodge of opinions, observations, facts? and sometimes strange topics leading nowhere. While it may contain a pearl or two, it is simply not worth all of the digging. Title is misleading as there is not sufficient cohesiveness to classify this work. Those with firearms familiarity will become quickly lost and those without will not even get started. I have enjoyed other books by

Mr. Mullins and this early one is a relatively poor representation of his capabilities .0 of 0 people found the following review helpful. fast delivery, great product.By mac-2015fast delivery, great product. One of the best books on the subject I have read. Well Done!6 of 10 people found the following review helpful. Authoritative referemce that needed editingBy YOGIUseful for the reader, like myself, who knows nothing about handguns. But wordy, poorly organized, and assumes knowledge of guns (gun acronyms) that novice readers don't possess. Still, this is apparently the only up-to-date reference available on all aspects of handgun ownership, so worth owning for that reason.

Not since 1956 when Elmer Keith came out with his classic Sixguns has such a comprehensive book on handguns been offered! In Handbook of Handguns, Timothy J. Mullin, author of the "Testing the War Weapons" series, brings pistols into the 21st century. This handbook features more than 40 chapters on all aspects of handguns, including choosing the right police, military and personal defense pistol; learning to shoot one- and two-handed; getting the right pistol-ammo combination; carrying spare ammo and guns; selecting the proper carry method; setting up a shooting school curriculum; collecting handguns; and much more. A must-read for all those interested in firearms or combat shooting.

About the AuthorTimothy J. Mullin is a former infantry officer in the U.S. Army and deputy U.S. marshall. He is a life-long gun lover and fervent defender of the Second Amendment. His well-regarded series on combat weapons also includes volumes on handguns and rifles.
