**Rich Taylor : Hershey: The World's Greatest Antique Car Event (Great American Motoring Event)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hershey: The World's Greatest Antique Car Event (Great American Motoring Event):

If you've never been to Hershey, you're in for a mind-boggling surprise. In Hershey, you will meet the place and the cast of characters that make up this annual automotive extravaganza -- from the owners and sellers of antique cars to the dedicated tinkerer who is looking for just the right part. Filled with vivid full-color photography and amusing insider anecdotes, Hershey assembles these elements together in an edition redolent with the sights, sounds, and smells of this annual spectacle. Whether or not you plan to be there this October, Hershey will enthrall and entertain you and, most likely, make you wish you were there.

The book is a beautiful thing of substance and value, rich in saturated colors printed on sturdy, glossy pages. -- Autoweek  
About the Author Jean Constantine is an award-winning art director and graphic designer, as well as a respected painter whose work graces many private collections. But she is better known among auto enthusiasts for her

beautiful and telling photographs that have illuminated the pages of The New York Times, Town Country, Car and Driver, Sports Car International and dozens of other national publications. She is a graduate of Rhode Island School of Design. Rich Taylor has produced 22 books and over 4000 magazine articles, winning the prestigious Ken Purdy Award and three Moto Awards for excellence in automotive journalism. He's an ASE Certified Automobile Technician, a member of the Society of Automotive Engineers, and owns his own restoration shop. He is also a popular concours judge and appraiser, holds an FIA international license and has raced sports cars at over 80 tracks around the world. He is an honors graduate of Brown University, with an MA from Indiana University and an ABD from New York University's Institute of Fine Arts.
