C. H Jacot : How to repair musical boxes: Practical instructions to watchmakers with complete illustrated catalogue of material before purchasing it in order to gage whether or not it would be worth my time, and all praised How to repair musical boxes: Practical instructions to watchmakers with complete illustrated catalogue of material:

1 of 1 people found the following review helpful. Repairing musical boxes By Lucy Riemensnider It has been a long time ago, but I do remember reading it and realizing I waisted time and money, maybe because my problem was not even mention in the book, it is a small booklet and it has limited information but it could perfect for someone else.
