From Chronicle Books : Hula Honeys: 30 Postcards (Collectible Postcards) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hula Honeys: 30 Postcards (Collectible Postcards):

0 of 0 people found the following review helpful. Hana Hou! By Gnome De Plume A nice collection of Hula girls from tiki bars from all over. I had this set once before and was glad to find it still in print. Good quality cards and printing. A real find. 3 of 3 people found the following review helpful. Vintage cards By J. Garrett These cards are great. They include vintage postcards, vintage matchbook covers, love them all. 4 of 5 people found the following review helpful. A Great Deal By J. F. Kopeck You won't find these pc's elsewhere. Best deal going, all cards are clean without all the nudity that is thrown at you these days when buying this type of product.

Celebrating the enduring myth, tropical mystique, and charming allure of the Polynesian Hula girl, these postcards are the perfect way to say aloha to your friends and family around the world.

About the Author Jim Heimann is a graphic designer, illustrator, and educator whose previous books include *California Crazy: Roadside Vernacular Architecture*, also published by Chronicle Books.
