Nigel Thorley : Jaguar the Complete Works before purchasing it in order to gage whether or not it would be worth my time, and all praised Jaguar the Complete Works:

15 of 16 people found the following review helpful. An excellent introductory Jaguar book.By bryfs@aol.com You'd think that an introduction to the world of Jaguar had been done enough already. And, indeed, it seems that each passing addition to the collection adds less and less new material on the subject. Nevertheless, this volume has done a wonderful job as a concise collection of basic facts. The tables, in particular, are an excellent resource. As is typical, this book is written with a decidedly British slant but also provides ample information for the American enthusiast
