**Warman's : Jefferson Nickel 1968-2009 Collector's Folder (Warman's Collector Coin Folders)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Jefferson Nickel 1968-2009 Collector's Folder (Warman's Collector Coin Folders):

Not only do the folders LOOK good but they will not be damaged easily as well. They hold all my coins easily and provide numerous facts about the coins that help the customer learn where and why these specific coins were produced. I would gladly recommend any of the Warman's folders to any sort of collector whether they are just beginning their collection or if they have been collecting for years.

It is a solid product that does exactly what it is supposed to do.0 of 0 people found the following review helpful. Nice Size and Looks GoodBy Global TravelerNice looking folders that securely hold your nickels indefinitely. I own many of these folders and I'm enjoy adding my nickels to them as the days go by. I've had no issues inserting or removing coins (even though you should be very careful). I highly recommend these folders as they are the perfect size for a bookshelf and look very nice if you want to display them on coffee or end table.0 of 0 people found the following review helpful. Slots too largeBy Kindle CustomerI purchased three coin collector book and each one has some coin slots that were too large for the coins. I don't get this because I have many coin collector books I purchased in stores and I have never had this problem. Could these books be "seconds" ?

For the collector with a keen eye for detail, the modern design of the Jefferson Nickel (1968-2009) is a canvas rich with history. Not only does the coin's design feature Jefferson's Virginia home, Monticello, it also features intricate changes from the earlier Jefferson Nickel designs. The story of this nickel and its evolving design is featured in this larger-than-average-size coin folder, along with 90 coin slots on three panels. With more slots than any other, this top-quality coin folder is a great gift.
