Coin folders have a long, distinguished legacy as being most people's first exposure to the coin collecting hobby. Everyone either has or knows someone who has been given a coin folder as a child and gone on to fill it with cents, nickels, dimes or quarters. This is a perfect low-cost purchase for parents, grandparents, aunts or uncles looking to

engage children in a healthy, educational hobby. -Perfect for collectors of any age -Updated folder houses the latest nickel issues and future issues through 2015 -Openings for 90 nickels - more than any other folder on the market - Interesting anecdotes and facts covering the history of the Jefferson nickel -Larger size than typical nickel folder - 7x9.5 -Attractive design and glossy cover
