C L Miller : Jewel Tea: Sales and Houseware Collectibles: With Value Guide (Schiffer Book for Hobbyists)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Jewel Tea: Sales and Houseware Collectibles: With Value Guide (Schiffer Book for Hobbyists):

0 of 0 people found the following review helpful. Five Stars By Customer Great reference book for my Jewel Tea collection. 0 of 0 people found the following review helpful. An absolute must for a Jewel Tea collector By Shirley R. Rhodes This book is absolutely everything I'd hoped for and more. I would highly recommend it and its partner book "The Jewel Tea Company: Its History and Products" to anyone interested in Jewel Tea and/or collecting it. It answers a lot of questions and has a lot of interesting facts. 0 of 0 people found the following review helpful. lot of history, not

enough prices for everyday,By Rchard Countermanlot of history,not enough prices for everyday,mostly the rare items

The housewares for every purpose-including the well-known Autumn Leaf Pattern dinner wares, the stories of the salesmen who delivered them, and the history of the Jewel Tea Company that sent them forth are explored in great detail in this fascinating book. Over five hundred color and historic black white photographs accompany the text. Among the product lines explored are Jewel Tea dining services and all the accoutrements to set the perfect table, kitchen wares and cookbooks, household products recommended to furnish the new bride's home, sales items for men only, and toys for children which may stir fond memories of your own. The chapter on unusual sales and premium items found only in collectors' homes today will delight all who are interested in this major twentieth century firm.

About the AuthorC.L. Miller is an award-winning freelance writer. This is his second book on the Jewel Tea Company.
