The best book on rifles ever publishedBy The ForesterAlthough dated (sorry AR-15 fans) this is the most useful volume on the subject I have ever read. For those of us who appreciate the rifle, shooting, and accuracy, there is no better book written.0 of 0 people found the following review helpful. Five StarsBy Angelit is a good item0 of 0 people found the following review helpful. Great resource!By GeorgeLots of very useful information. i wish someone would give us an updated edition. Still very valuable for me.
