Frank P. Albright : Johann Ludwig Eberhardt and His Salem Clocks (Old Salem Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Johann Ludwig Eberhardt and His Salem Clocks (Old Salem Series):

Eberhardt (1758-1839) was master clockmaker in Salem for more than thirty-eight years. Albright attributes more than thirty clocks to Eberhardt, building his evidence by a diligent reading of the Moravian records and by a careful cataloging of the characteristics of each clock. He reconstructs Eberhardt's methods of clockmaking in precise detail from the inventories and the purchase invoices of equipment and materials, and he attempts to identify the cabinetmaker in each case. Originally published in 1978. A UNC Press Enduring Edition -- UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value.
