From Brand: Pace University Press : Journal of the Early Book Society. Volume 8. 2005 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Journal of the Early Book Society. Volume 8. 2005:

The annual *Journal of the Early Book Society for the study of Manuscripts and Printing History* is published by Pace University Press. The greater part of each volume is devoted to four or five substantial essays on the history of the book, with emphasis on the period of transition from manuscript to print. The main focus is on English and Continental works produced from 1350 to 1550. In addition, the journal includes brief notes on manuscripts and early printed books, descriptive reviews of recent works in the field, and notes on libraries and collections.
