Diane L. Fagan Affleck : Just New from the Mills: Printed Cottons in America Late Nineteenth and Early Twentieth Centuries before purchasing it in order to gauge whether or not it would be worth my time, and all praised Just New from the Mills: Printed Cottons in America Late Nineteenth and Early Twentieth Centuries:

3 of 4 people found the following review helpful. ContentsBy 2crazy4books2This book is an introduction to late nineteenth and early twentieth century mass produced printed cottons. It offers a view of the prints themselves as well as a look at the context in which they were produced. The book affords readers the opportunity to discover a largely unknown world of craftsmanship, style, and beauty. Thorough in its treatment of every aspect of textile production, from technology, management, and marketing, to fashion and design, "Just New from the Mills" is a comprehensive history of the modern textile industry.

This book is an introduction to late nineteenth and early twentieth century mass produced printed cottons. It offers a view of the prints themselves as well as a look at the context in which they were produced. The book affords readers the opportunity to discover a largely unknown world of craftsmanship, style, and beauty.
