Ming-Ju Sun : Kabuki Costumes Paper Dolls before purchasing it in order to gage whether or not it would be worth my time, and all praised Kabuki Costumes Paper Dolls:

0 of 0 people found the following review helpful. Five StarsBy thornnice5 of 5 people found the following review helpful. Gorgeous Kabuki Costumes with short descriptionBy A Customer16 Kabuki Costumes with short description, such as "Benkei (an 11th-century warrior) in Kanjincho (The subscription List). Juhachiban." Each costume comes with appropriate Kumadori (make-ups) and wig.Even though I don't know the details of each Kabuki costume, I believe it well convey the mood of Kabuki. If you are interested in Kabuki, it'll be a good starter.2 of 2 people found the following review helpful. Great Costumes.....By HNTThe kabuki costumes are very colorful and wonderfully drawn. There are 8 female costumes and 8 male costumes. The dolls are made of thicker paper, found on the flap of the back cover. Even though it defeats the point of having paper dolls, I found that I rather liked keeping the costumes

uncut and left in the book. I use this book for reference, given the handy short descriptions on the side. The only reason why I didn't give it 5 stars was because I've seen better work from Ming-Ju Sun. I recommend Ming-Ju Sun's "Japanese Kimono." This book has 26 costumes, more detailed with better color, and the whole book is done on thick paper. The paper for the Kabuki Costumes was much thinner and would most likely not endure prolonged handling. Both books are the same price but I believe you get a better deal with "Japanese Kimono."

Sixteen spectacular costumes reproduced in brilliant color and elegant detail, created for actors impersonating traditional characters of Kabuki drama: shogun, geisha, wicked woman, red princess, lion, more. Many include elaborated headdresses, masks or specially painted faces associated with each character. With informative captions. 2 dolls, 16 costumes on 16 plates.
