0 of 0 people found the following review helpful. would like information about bottles other than the same old high ...By raymundo m. organnot enough details or photos. nit every collector is an antique dealer. would like information about bottles other than the same old high dollar flasks that are listed in every other such book.0 of 0 people found the following review helpful. Kovels' Bottles Price List 12th Edition nice bookBy Robert F. LarabeeExcellent book but

wish there was more information on ink bottles. I would recommend this book to others, especially for collectors. 0 of 0 people found the following review helpful. Not for Fruit Jars By Gary L. Halleck Good, but not for fruit jars. I should have done more research. Seems that the 'Red Book' would have been a a better way to go for getting prices on Mason (and similar) fruit jars. Otherwise, this book is very well done.
