**Roger G. Hatheway, Russell L. Keller : Lake Arrowhead (Postcard History: California)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lake Arrowhead (Postcard History: California):

Great price too!1 of 3 people found the following review helpful. nice little bookletBy D. CameronI needed this because one of my husband's relatives built one of the first Arrowhead Springs hotels in the late 1890's. I have been doing a genealogy book for them and wanted to add this bit of history to my research.

Lake Arrowhead is Southern California's premier alpine resort located in the heart of the scenic San Bernardino Mountains. From the 1920s to the 1950s, the resort's "golden years" offered city-weary urbanites a sophisticated rural playground of camping, boating, golfing, horseback riding, hunting, fishing, luxurious lodging, and dining--all showcased here in many vintage images never before published. Taken from author Keller's private collection of postcards, this history of Lake Arrowhead offers a true window into the past with images and evocative postcard sentiments about this remarkable community.

About the Author Authors Russell L. Keller and Roger G. Hatheway are lifelong collectors of historical ephemera and are members of the Rim of the World Historical Society. Keller is a columnist for two local newspapers and coauthor of Arcadia's Images of America: Big Bear. Hatheway has been an educator and columnist and is a historic preservation consultant."
