Whitman : Lincoln Cents 1909-1995, Album before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lincoln Cents 1909-1995, Album:

19 of 19 people found the following review helpful. Consolidate! By Jason Very good quality coin album purchased to consolidate 3 separate Lincoln 1c books. Each page holds 36 coins viewable front and back, so a bit more tightly spaced than the other Whitman books I was replacing, but nice solid construction and the typical dual row plastic pull-outs, you'd expect if you're familiar with Whitman products that display the front and back of coins on each page. Includes slots for varieties, such as small dates, zincs, VDBs, et. Inside back cover lists the 1909-1995 mintages. Nice item. 0 of 0 people found the following review helpful. A lot of coins in one book By D. Lane I have used Whitman coin folders and albums for years. This folder is one reason. Seven pages covers all these years. They are packed with 36 coins per page, viewable on both sides because of the clear plastic slides. None of the other albums from other companies offer this many coins in a single book. 4 of 4 people found the following review helpful. What is there not to like? By Customer Item is exactly as described, easy to fit the coins into, sturdy and expensive looking coin book which will last for a long time. Worth the extra cost for a collector (budding or seasoned) esp. if want to pass the book

along.
