Joe Algozzini : Lionel's Postwar F3's (Toy Train Reference Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lionel's Postwar F3's (Toy Train Reference Series):

1 of 1 people found the following review helpful. ... world of O gauge model railroading with Lionel - great fun to read about these wonderful toys and how ...By Customer Fascinating reference book for anyone looking into the highly enjoyable world of O gauge model railroading with Lionel - great fun to read about these wonderful toys and how they came to be. Enjoy the read and keep it for reference further down the road to rail road bliss! 0 of 0 people found the following review helpful. Five Stars By Customer just the book I needed 0 of 1 people found the following review helpful. Five Stars By Patricia K Smith nice book

Describes Lionel's most popular locomotive of the postwar era. Details production history and includes road names, packaging information, and repair tips. Volume I of the Toy Train Reference series.
