This paperback guide is updated yearly to reflect the current market value of Lionel Trains dating all the way back to 1901. I buy this for my dad every year as a Christmas gift, and Pops can't wait to dive into it's pages! If you want accurate and up-to-date market values, Greenberg's Pocket Guide is the most trusted among collectors. 2 of 2 people found the following review helpful. A must have for Lionel lovers!!! By Whistlestoped This little book helps me stay grounded when shopping for Lionel trains. The info on prices aids me greatly when pricing for sale as well. I recommend it for anyone buying and selling Lionel products. 0 of 0 people found the following review helpful. The bible for Lionel train enthusiasts By John I An absolute necessity for a collector of Lionel train equipment. However, you need to buy a new edition every 5 years or so to reflect current prices and new additions.

The Lionel Trains Pocket Price Guide 1901-2017 is a reliable source of market value information for prewar, postwar, and modern trains, as well as postwar boxes and sets. Now in its 37th edition, this valuable resource for operators and collectors offers: Current pricing information. A functional and easy-to-read format that allows collectors to record prices and information directly into the book. A convenient pocket-sized format that's easy to carry.
