**Agnes Strickland : Lives of the queens of England: From the Norman conquest : with anecdotes of their courts, now first published from official records and other authentic documents, private as well as public - Volume II** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lives of the queens of England: From the Norman conquest : with anecdotes of their courts, now first published from official records and other authentic documents, private as well as public - Volume II:

0 of 0 people found the following review helpful. Very old but fascinatingBy TNLInteresting to view history through the lens of 1841. Some of the interpretations of event are a little "off" by modern standards, but the facts - like what dresses John bought for Isabella for her coronation - are terrific. They have dug through many pipe rolls, I'm guessing. If you are interested in this part of history, a great read.
