**London Underground : London Underground Poster Diary 2017** before purchasing it in order to gauge whether or not it would be worth my time, and all praised London Underground Poster Diary 2017:

0 of 0 people found the following review helpful. Five Stars By KERI M. The art is wonderful. 0 of 1 people found the following review helpful. Five Stars By em-weiss111 This is beautifully made. Really a great Diary and so interesting.

London Underground is renowned for its poster archive and the Tube has become 'London's longest art gallery'. Historically these eye-catching posters enticed prospective travellers indirectly by focusing on the destination rather than the mode of travel. As well as a map of London's Underground, Tube facts and trivia, the London Underground Poster Diary 2017 features posters by famous artists and designers. It is a week to view and includes a ribbon marker and an internal storage pocket.
