Anon. : Long Case Clocks - With Pictures and Details of the Most Famous Examples before purchasing it in order to gage whether or not it would be worth my time, and all praised Long Case Clocks - With Pictures and Details

of the Most Famous Examples:

This vintage book contains a interesting and informative treatise on long case clocks, being a detailed account of the history and development of these Marvell clocks complete with pictures and details of some of the most famous examples. This comprehensive and accessible guide will be of considerable utility to collectors and antique dealers, and it would make for a wonderful addition to collections of allied literature. Many antiquarian books such as this are increasingly rare and expensive, and it is with this in mind that we are republishing this vintage text now in an affordable, modern edition complete with a specially commissioned introduction on the history of clocks and watches.
