Sallie Walrond : Looking at Carriages before purchasing it in order to gauge whether or not it would be worth my time, and all praised Looking at Carriages:

This invaluable reference work illustrates and describes horse-drawn vehicles from all over the world, including the carriages of the late 20th century.

About the Author Sallie Walrond teaches, lectures, and judges internationally, making regular trips to the U.S. She is a life member of the Carriage Association of America and an honorary member of the American Driving Association.
