Cheah Jin Seng : Malaya 500 Early Postcards before purchasing it in order to gage whether or not it would be worth my time, and all praised Malaya 500 Early Postcards:

1 of 1 people found the following review helpful. Wonderful postcardsBy Mr. Leong Wai HongA major defect of Malaya 500 Early Postcards is the small font of the text. This is such a pity for an otherwise excellent book. There are many wonderful postcards of Malaya. For example at page 49 is a postcard of the Methodist Boy's School KL posted in 1909 ! At page 48 is a postcard on St John School KL. If your interest is in Malaya postcards i would also highly recommend Penang Postcard Collection 1899 - 1930s by Wade and Khoo Salma Nasution @ Ms Khoo Su Nin.

Based on a selection from the author's private collection, Malaya 500 Early Postcards offers a rare and comprehensive glimpse into the changing landscapes, townscapes and lifestyles of Malaya, from the late 19th century to 1963, when it was renamed Malays
