He is the perfect size. This is the coolest bust in the world. It also is a really good likeness to Elvis. I'm going to buy more of them. You will love this. Thanks again. It also came very quickly. Great shipping. Great packaging also. 1 of 1 people found the following review helpful. WOOHOO!! Bought for the statue By Customer I bought this for a party favor/joke. Haven't read the book but the statue served its purpose. It's small, maybe a little taller than a toothpick. But it's solid.

Think your love for Elvis is BIG? Here's the tiny hunka hunk of sculpture to prove it. Yes, now you can take a piece of Presley wherever you go with this handsome little bust. Also included is an Elvis Almanac loaded with quotes, trivia, photos, and more—plus, a perforated accessories card that lets you adorn your Elvis with his signature aviators or Hawaiian lei, or just prop him up with his guitar and watch the magic happen. He may not have hips to shake, but his curled lip says it all: the King of Rock 'n Roll still reigns, and he's never looked better! Officially licensed by Elvis Presley Enterprises, Marble Elvis bears the Graceland seal of approval and along with the King's irresistible charm

this distinctive package is sure to be a hit with the millions of Elvis fans worldwide.
