Given as a gift, made quite an impression By Tolana I gave this as a gift to someone who likes cat's-eye marbles in particular and misses the set they had in childhood. I haven't seen the book myself, but they called to tell me they love it and said it has gorgeous, large photos that will make it easy to identify their current collection. 0 of 0 people found the following review helpful. Five Stars By Larrie Knudsen Best cateye guide available. As a collector, you can't be without it. 0 of 0 people found the following review helpful. Five Stars By Larry McWhorter great book
