Not only are there thousands of listings but, there are thousands of pictures too! This book is the perfect tool to start you on your way to collecting Marilyn Monroe memorabilia. There are tips given by the author such as using the internet to find items, how to spot an original much, much

more! You will refer to it again and again. I highly recommend this book. It's a purchase you'll be glad you made! 0 of 0 people found the following review helpful. Marilyn Memorabilia By Michael Extremely useful Book charting most of the MM Items available or rather, that have been available. As with any Book like this the Prices must only be viewed as a Guide as Tastes and Availability change for Day to Day. Nice though, not many Items like this. 0 of 0 people found the following review helpful. Covers all areas of MM collection By Rinsol I bought this for my wife who has a Marilyn Monroe collection and she is very happy with the book. She can now put a price on all of the items she collected over 35 years. A must have for the MM collector.

Though her life was short, Marilyn Monroe's legacy lives on. Millions of items chronicle the amazing life and career of America's best-known blonde. Now, Marilyn enthusiasts can learn what is highly collectible, and also what those items may be worth. This comprehensive price and identification guide to Marilyn Monroe memorabilia offers up-to-date prices on everything linked to her, including books, figurines, calendars, photographs, and more! Values are given for more than 3,500 items in very good to near-mint condition. Presenting more than 500 stunning photographs of collectible items, this valuable resource provides interesting historical tidbits about Marilyn, and offers a practical approach to starting or managing a collection. Collectors and anyone with an interest in the blonde bombshell will appreciate this look at the star's amazing life and tragic death.
