**From Brand: Globe Pequot : Martha's Vineyard Postcard Book (Postcard Books)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Martha's Vineyard Postcard Book (Postcard Books):

2 of 2 people found the following review helpful. Andrew L.By Nicole Andrew L.Great little book...however i have been to Martha's Vineyard several times and this book doesn't represent the Vineyard very well. Several of the pictures are close ups of random things...example: one is of just a bike. I feel a little ripped off but still really pretty pictures, even if there are several that i'll never use...
