Also, if you are looking for heroic art of Iron Man then don't look here. The only Iron Man cover is one where he is struggling with alcohol. The posters are 11 3/4" X 16 1/2".1 of 1 people found the following review helpful. I love the postersBy W. MedlockI love the posters. However, they are double-sided. I purchased them to use as wallpaper and ended up having to buy two books so that I could use all the posters. They are durable and of good quality.0 of 0 people found the following review helpful.
