SchumI inherited half of my mother's Matchbox collection. I really didn't know anything about the cars having not played with them as a child. This book was extremely helpful in understanding each car and what the value is. I am now purchasing all the cars from 1961 which is my birth year. I recommend this book.1 of 1 people found the following review helpful. Nice basic guide By Dwight OverstreetGreat for beginner's, well written, nice photo's, and history of lesney.
