Michael J. Kelly : McDonald's Drinkware: Identification Value Guide (Identification Values (Collector Books)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised McDonald's Drinkware: Identification Value Guide (Identification Values (Collector Books)):

0 of 0 people found the following review helpful. McDonald's Drinkware: Identification and Value Guide By Sophie J. DiNicola I bought this for my husband who has been collecting glasses of all kinds for many years. McDonald's, Burger King, Sports, Preakness, Super Heroes, you name it he has it. 0 of 0 people found the following review helpful. Five Stars By Roxanne Powell I use this all the time. 0 of 0 people found the following review helpful. Great McDonald's book By Melanie I enjoyed reading this McDonald's drinkware book. It has a lot of interesting details year by year as the glasses came out. Very nice, clear pictures.

Michael J. Kelly If you see the Golden Arches, you know exactly what they mean. McDonald's restaurants have been around since 1955, and have served cheeseburgers, french fries, and other 'happy' meals to billions of people around the world. Besides its popularity for their fast food, McDonald's has also become well-known for pouring its beverages into hundreds of different glasses, cups, mugs, and other drinkware. These various containers have become highly collectible, and have been around since the 1970s. Michael J. Kelly, co-author of the popular *Collectible Drinking Glasses*, has focused this time specifically on McDonald's drinkware and produced the most comprehensive identification and value guide on this subject. Over 1,600 items, both domestic and foreign, are listed and pictured in almost 300 color photographs. It's the only book to list and price glass, ceramic, pottery, plastic, acrylic, and paper drinkware. Glasses and cups commemorating grand openings, anniversaries, conventions, Hamburger University, Ronald McDonald House, sports, and NASCAR are all featured in this book. There is extensive coverage of convention stemware, paper cups, travel mugs, sports bottles, and sports glassware. Plus it features rare McDonald's managers' issues, prototypes, and error glasses never before seen in any publication.
