Joyce Losonsky : McDonald's Happy Meal Toys from the Nineties (Schiffer Book for Collectors) before purchasing it in order to gauge whether or not it would be worth my time, and all praised McDonald's Happy Meal Toys from the Nineties (Schiffer Book for Collectors):

I've collected these toys from the beginning and I still eat a lot of Happy Meals. Some of the values may be off considering how fast "things in vogue" change, but eBay has representable prices to look at for current expectations. 0 of 2 people found the following review helpful.
