Sandy Baum : Mexican Arts Series: Hammered Copper before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mexican Arts Series: Hammered Copper:

See beautiful hammered copper vessels made long ago and today at Santa Clara del Cobre, Mexico, a small town in the southwest state of Michoacan. 393 colorful photographs, an historical perspective, introductions to 540 copper artists, and detailed descriptions, combine in this impressive reference.
