Wallace Lee : Michigan Obsolete Bank and Scrip Notes of the 19th Century - National Bank Notes 1863-1935 before purchasing it in order to gage whether or not it would be worth my time, and all praised Michigan Obsolete Bank and Scrip Notes of the 19th Century - National Bank Notes 1863-1935:

0 of 0 people found the following review helpful. Incredible reference of the notes issued from the state of ...By Jim BernsteinIncredible reference of the notes issued from the state of Michigan. The volume is also numbered and autographed by Dr. Wallace Lee. Filled with hundreds of pictures and interesting/pertinent history of the times. A must for any obsolete and National Currency collector. It's simply a volume to behold.0 of 0 people found the

following review helpful. Michigan reference broken bank notes By J. D. Wedell Every library in Michigan should own a copy. Get two copies of the book and donate one to your local library. Check to make sure it is OK to do so first. Future generations should know that we didn't have a national currency until the Civil War. The book is a very handy reference for any obsolete banknote buying on line or at a local coin or paper money show. According to my copy there are only 1000 copies available and the book has been on sale since 2006. Delay means not ever getting the book again. Who can argue with a reference work this size for less than \$40? 0 of 0 people found the following review helpful. beautiful book By Alice Emmrich very happy with the purchase, thank you very much, my husband was very pleased with the book it was every thing he was looking for.

This unique and innovative book is more than a price and identification guide to Michigan's early banking system; it demonstrates the state's evolution from pioneer settlements for prosperous communities. This one-of-a-kind is filled with more than 2,200 rarely seen images from the foremost Michigan bank note collection. In addition, this reference gives collectors: Detailed listings organized alphabetically by name of the issuing institution, for easier identification and thorough regional research. Additional historical information about early banking processes in Michigan, development of the state, and detailed guidelines for accurately identifying Michigan's obsolete and national bank notes. Thoroughly researched value estimates for each listing
