Daniel Bexfield : Miller's Buyer's Guide: Silver Plate before purchasing it in order to gage whether or not it would

be worth my time, and all praised Miller's Buyer's Guide: Silver Plate:

Baskets, Bowls, Buckles and Buttons, Miniatures, Mirrors, Spoons, Tanks, Trays: all that and more—3000 items' worth—is covered in this authoritative guide to silver and plate collectibles, ranging from the 17th to the 20th century. There are special features on key designers such as Paul de Lamerie, Georg Jensen, Hester Bateman and the Tiffany studios, and regional variations and hallmarks are noted and illustrated. Special sections cover Irish, Scottish, American, Chinese export and Russian silver.
