Madeleine Marsh, Linda Bee, Lynda Brine : Miller's Perfume Bottles: A Collector's Guide (The Collector's Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Miller's Perfume Bottles: A Collector's Guide (The Collector's Guide):

This work on perfume bottles is aimed at the budding collector. Covering both non-commercial bottles, into which perfume was decanted, and commercial perfume bottles, sold complete with perfume, this book explores the variety of designs available. It includes silver-topped Victorian examples, Lalique glass, designs by such names as Guerlain, Chanel and Avon, men's aftershave bottles and the avant-garde creations of Jean-Paul Gaultier.
